### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: According to the decision rendered by the Board of Patent Appeals and Interferences on 19 November 2009, the Board sided with Applicants' arguments and stated "data alignment are *always* performed on bytes and similarly performed on half words, words, double words, or extended words...Similarly sign extension is performed on accessed data *regardless* of whether the data are bytes, half words, words, or double words (BPAI Decision page 5, paragraph 2, lines 6-10)." In essence, the Board has determined that all data fetched is unaligned and must be aligned and sign extended or, regardless of whether or not the data fetched is already aligned or sign extended, the data alignment and sign extension operations will always be performed on the data. As such, the Board has deemed the rejection improper and reversed the Examiner. Consequently, the rejection is withdrawn and the application is in condition for allowance.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to AIMEE J. LI whose telephone number is (571)272-4169. The examiner can normally be reached on M-T 7:00am-4:30pm.
4. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eddie Chan can be reached on (571) 272-4162. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
